Technical Specification

DX016DC - Isolator DC-21B IP66 Rating 4 Pole 16A

General

Box quantity: 1
Colour: Grey
Width mm: 98.00
Height mm: 180.00
Depth mm: 116.00

Technical

Switched poles: 4
ABC indicator: C
Associated standards: IEC 60947-3
Rated current: 16A
Ambient operating temperature:
-5 to 40°C (24hour average not exceeding 25°C)
Degree of protection: IP66
Nature of supply: DC
Material housing: polycarbonate
Mounting method: Surface
Suitable for outdoor use: Yes
