

# CONTACTUM

## Metal Clad

---

The Contactum Metal Clad range delivers robust steel construction and enhanced electrical safety for demanding environments, combining durability with functional control options such as neon indicators and key-operated switching for secure installations.

# CONTACTUM

Quality by design

Established in 1936, Contactum is a proud British brand with a distinguished heritage in the electrical industry. For nearly a century, we have been a trusted name in the supply of wiring accessories, circuit protection devices, and control products across residential, commercial, and industrial sectors.

Our reputation has been built on a foundation of quality, safety, and a design-led approach, with a focus on delivering products that meet the unique demands of the UK market.

Offering the latest solution-led wiring accessories to award-winning consumer units and commercial switchgear, Contactum delivers reliable, specification-grade electrical solutions designed to meet the evolving needs of electricians, contractors, wholesalers, and specifiers.

We pride ourselves on combining performance, compliance, and visual appeal across our ranges, supported by robust technical expertise and responsive customer service.

To support our commitment to excellence, Contactum operates an ISO Integrated Management System, covering quality (ISO 9001), environmental (ISO 14001), and occupational health & safety (ISO 45001) standards. This ensures that every aspect of our operations – from product development to customer service – is underpinned by internationally recognised best practices.

This achievement highlights our continuous efforts to operate transparently, reduce environmental impact, and promote responsible business practices throughout our supply chain.

Further reinforcing our dedication to sustainability and corporate responsibility, Contactum has recently been awarded a medal-level rating by Eco Vadis, a leading global assessment platform for environmental, social, and ethical performance.

## alfanar

As part of the alfanar group, Contactum benefits from the backing of a global leader in electrical manufacturing, energy, and infrastructure. Headquartered in Riyadh, Saudi Arabia, alfanar brings world-class scale, engineering excellence, and advanced production capabilities to the partnership.

A large proportion of Contactum's product offering is manufactured at alfanar Industrial City – a cutting-edge 700,000 square metre facility in Riyadh. This ISO-certified complex is equipped with automated production lines, quality testing laboratories, and R&D centres, staffed by skilled professionals committed to delivering consistent quality and innovation across all markets.

By combining the local insight and agility of a UK-based brand with the scale, resources, and innovation of a global manufacturing group, Contactum remains uniquely positioned to serve the needs of the modern electrical market. Whether supporting new build developments, refurbishment projects, or infrastructure upgrades, Contactum continues to deliver dependable solutions trusted by professionals across the UK and beyond.

# Metal Clad

---

## Standard Metal Clad switches & sockets

Everyday power control for lighting, plug sockets and fuse connection units.

## Key Switch range

Key-operated isolators and control switches used in security, alarm and controlled access systems.

## High-load switching

20A and 45A switches suitable for heaters, cookers and industrial equipment.

# Features

## External Features

### + Heavy-duty steel construction

Metal faceplates and enclosures, designed to resist impact, knocks, and vandalism. Suitable for exposed surface mounting installations in high-impact environments.

### + Durable industrial finish

Epoxy powder coated finish for scratch-and corrosion-resistant surfaces, maintaining appearance in high-traffic areas.

### + Surface mounted design

No recessing required; ideal for retrofit or industrial installations.

### + Installer-friendly design

Multiple cable entry knockouts, generous internal wiring space, clearly labelled terminals and standardised fixing centres for a fast and easy install.

### + Full accessory ecosystem

Including sockets, switches, fuse connection units, key switches, back boxes and more.

### + Safety features

Double pole switching on many products, IP2X finger protection, compliance with BS 1363 standards and RCD protection options available.

## 10AX Switches

### 10AX Switch

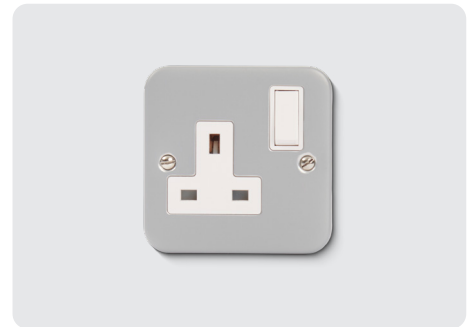

Description:	Product Code:
1G 2W	CLA3712
2G 2W	CLA3722
3G 2W	CLA3732

### 10AX Intermediate switch

Description:	Product Code:
1G	CLA3710

## 13A Socket Outlets

### 13A Socket Outlets

Description:	Product Code:
1G DP	CLA3346
2G DP	CLA3356
1G DP + neon	CLA3347
2G DP + neon	CLA3357
1G DP red	CLA3346MR
2G DP red	CLA3356MR

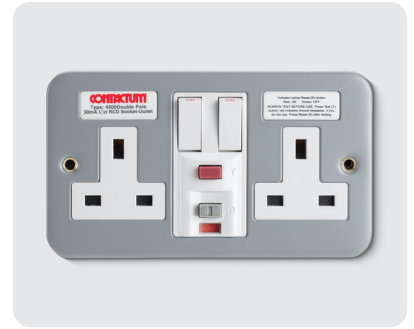

## RCD Socket Outlets

**13A FCU unswitched RCD**

Description:  
30mA passive

Product Code:  
CLA4904M

**13A Switched RCD**

Description:  
2G DP Switch Socket

Product Code:  
CLA4900M

## 13A Connection Units

**13A FCU Unswitched**

Description:

13A FCU Unswitched

13A FCU Unswitched + flex

13A FCU Unswitched + neon

13A FCU Unswitched + flex neon

13A FCU Unswitched + flex red

Product Code:

CLA3364

CLA3365

CLA3362

CLA3363

CLA3365MR

**13A FCU Switched**

Description:

13A FCU Switched DP

13A FCU Switched DP + flex

13A FCU Switched DP + neon

13A FCU Switched DP + flex neon

Product Code:

CLA3366

CLA3368

CLA3367

CLA3369

## 13A Double Pole Key Switches

**13A FCU Key switch**

Description:

13A FCU Key Switch DP + neon

13A FCU Key Switch DP + flex neon

Product Code:

CLA3467

CLA3469

**13A FCU Key switch - Red**

Description:

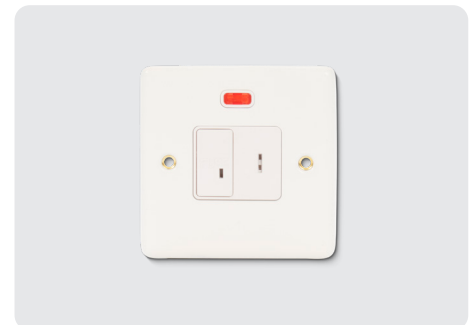

13A FCU Key Switch DP + neon  
surface mounted

13A FCU Key Switch DP + neon  
flush Mounting

Product Code:

CLA3467MR

CLA3467RS

**13A FCU Key switch - White**

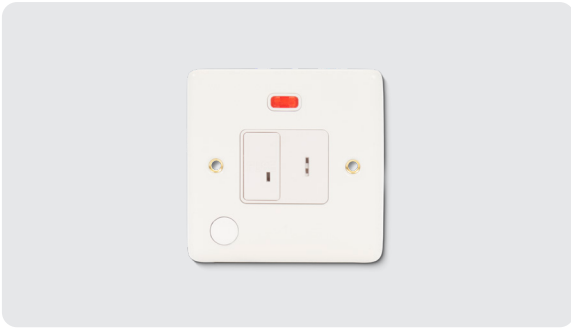

Description:

13A FCU Key Switch DP + neon  
Flush Mounting

Product Code:

CLA3467WS

## 13A Connection Units

### 13A Key switch FCU DP

Description:  
13A FCU Key Switch DP + flex neon flush mounting

Product Code:  
CLA3469WS

## 20A Switches

### 20A Switch

Description:	Product Code:
1G DP	CLA3796
1G DP + neon	CLA3797
1G DP + flex neon	CLA3799
1G 20AX intermediate switch	CLA3810
1G 20AX 2W switch	CLA3812
2G 20AX 2W switch	CLA3822
2G 20AX intermediate switch	CLA3823

## 45A Switches

### 45A Switch

Description:  
1G DP + neon

Product Code:  
CLA3757

## Front Plates

### Front plate

Description:  
1G 2 Mod Data

Product Code:  
CLA3117

## Blank Plates

### Blank plates

Description:	Product Code:
1G	CLA3017
2G	CLA3027

## Metal Clad Boxes

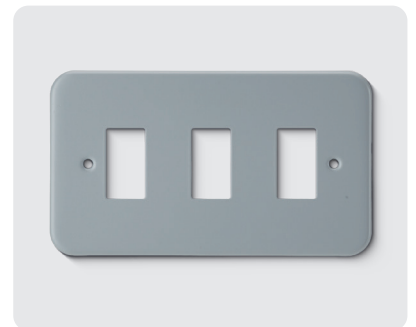

### Metal Clad box with E Terminal

Description:	Product Code:
2G 35mm	CLA3090
1G 35mm	CLA3091
2G 47mm	CLA3092
1G 47mm	CLA3093

Description:	Product Code:
6G & 8G	CLA3094
9G & 12G	CLA3095

## Grid

### Cover Plates

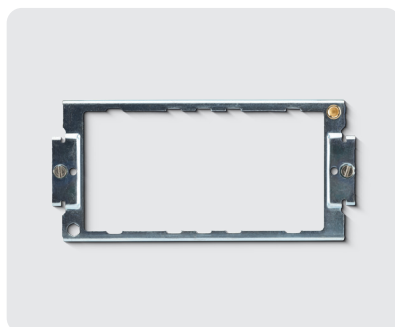

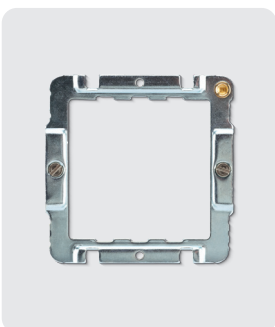

### Cover plates

Description:	Product Code:
1G	CLAG301
2G	CLAG302
3G	CLAG303
4G	CLAG304

Description:	Product Code:
6G	CLAG306
8G	CLAG308
9G	CLAG309
12G	CLAG312

### Grid Frames

### 1G - 4G Grid Frames

Description:	Product Code:
1G & 2G	GFM12
3G & 4G	GFM34

## 10AX Switches

### 10AX Grid switch

Description:	Product Code:
1G 2W	AG2712

### 10AX Intermediate

Description:	Product Code:
1G 2W	AG2710

### 10AX Retractive switch

Description:	Product Code:
1W Push to make	AG2720
2W Centre off switch	AG2719

### 10AX Printed switches

Description:	Product Code:
1G 2W push switch - bell	AG2736
1G 1W retractive push to make SW - fan	AG2720FAN

## 20AX Switches

### 20AX Key switch

Description:	Product Code:
2W SP	AG2812KS
1W DP	AG2814KS
1W SP + Emg light	AG2814KSEL

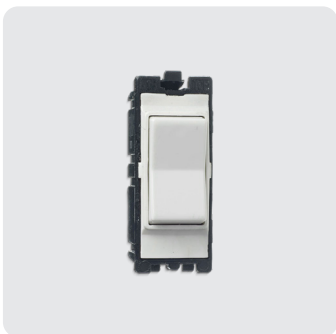

### 20AX Printed switches

Description:	Product Code:
1W+Boiler	AG2814BO
1W + Cooker Hood	AG2814CH
1W +Dish Washer	AG2814DW
1W+Extract Fan	AG2814EF
1W+Fridge Freezer	AG2814FF
1W+Fridge	AG2814FR
1W+Freezer	AG2814FRE
1W+Hob	AG2814HOB
1W+Hood	AG2814HOOD
1W+Microwave	AG2814MW
1W+Oven	AG2814OV
1W+Pelmet Light	AG2814PL
1W+Towel Heater	AG2814TH
1W+Tumble Dryer	AG2814TD
1W+Water Heater	AG2814WH
1W+Washing Machine	AG2814WM
1W+Waste Disposal	AG2814WD

### 20AX Switch

Description:	Product Code:
1W DP	AG2814
1W DP + neon	AG2815
2W SP	AG2816

### 20AX Retractive switch

Description:	Product Code:
DP push on	AG2812
DP push off Red Rocker	AG2822/RR

## 13A - 16A Connection Units

### Fused Connection Unit

Description:	Product Code:
13A Fused connection unit	AG2368

### Flex Outlet

Description:	Product Code:
16A Flex Outlet	AG2137

## LED Dimmer Switches

### LED Dimmer switches

Description:	Product Code:
2W Dimmer SW 120W	AG2612/0

## Grid Accessories

### Blank insert module

Description:	Product Code:
Blank	AG1BMOD

## Indicator modules

### Grid indicator

Description:	Product Code:
Amber	G1AMBER
Green	G1GREEN
Red	G1RED
