Make The Switch

Modern Contemporary Design

Matching curved profile of front plate and rocker.

Paint Guard

Front plate supplied with protective film.

Choice of Rocker Design

Switches available in smart and wide rocker.

Snap on Front Plate

Snap on front plate provides attractive screwless appearance.

Smart Rocker

Ergonomical smart rocker design available across the range.

USB Solutions

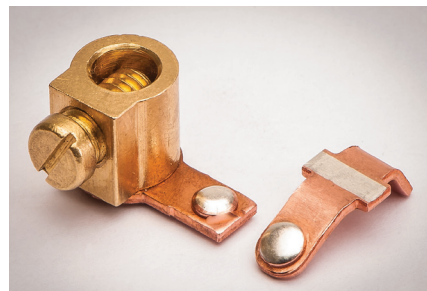

Comprehensive range of USB charging solutions.

Cage Terminal Technology

Single piece terminal construction.

Silver Alloy Contacts

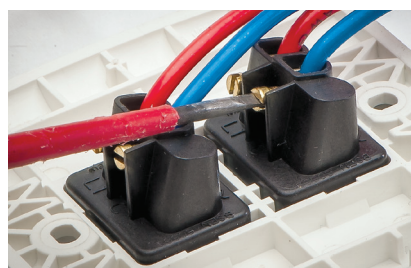

High quality silver alloy switch contacts to withstand resistive and inductive loads, ensuring excellent performance throughout its life.

Anti-bacterial Products*

Prohibits growth of bacteria to prevent infection, compatible with hospital requirements. *Available on request

Easy Installation

Angular termination allow for easy accessibility.
